Section 10

1. Lynette Copland took legal action against her employer because her employer was monitoring how much she used the internet at work.
2. Lynette Copland worked as an assistant to the principal of a college.
3. No other employees were being monitored.
4. Mr Wrentmore started the campaign against Ms Copland.
5. Ms Copland's emails were being tracked for 18 months.
6. The college said that the reason for monitoring Ms Copland in this way was to see whether she was using college facilities too much for her own personal use.
7. The court awarded Ms Copland 9000 Euros.
8. The court said that the college was in breach of Ms Copland's right to a private life.
9. The Human Rights organisation didn't bring the case in Britain because there was no statutory right to privacy under British law and the Data Protection Act didn't cover the college's actions.
10. Ms Copland is still employed by the college.
